To all Recipients as listed above, along with their heirs and successors, be advised as follows. All instructions herein are to be carried out expeditiously upon receipt of this Notice.

All Recipients are now in receipt of, along with this Notice, my Living Testimony in the Form of an Affidavit (LTA), which outlines clearly and conclusively my instructions that are to be acknowledged and recorded appropriately, by the Recipients and/or their Agents. Let it be known that my LTA has also been posted to Her Majesty Queen Elizabeth II of England, and that she has also been informed that my DNA has been re-conveyed to the land and soil jurisdiction and that i am the holder in due course.

By power of an un rebutted Affidavit's lawful and legal validity under Constitutional Law, a complete conveyance of my political status to the land and soil jurisdiction of the landmass Terra Australis, commonly known as the Commonwealth of Australia, and also commonly referred to as Australia, will be established from the date of agreement as per my LTA. A complete conveyance of all of my ens legis legal Trade Name(s) will be similarly established, including those names that have been used unlawfully and illegally, as well as those that may have potential for such misuse.

My presence/status as a Living Man, identifiable by the direct perception of my fellow People, documented via Witness Testimony in the form of Affidavit, and now established in writing as LTA, is proof of my existence as a Living Soul (LS) with intention to live life here on Earth at peace as a Lawful Man to uphold the de jure 1901 Commonwealth of Australia Constitution and the Common Law. Fraudulent contracts, however, beginning with the Birth Certificate, that have been manufactured without full disclosure and without lawful basis, are no proof at all of my Living presence, and are to be regarded as null and void, with no jurisdiction over me, rori -rehu: murchie, the Living Man.

The following corporations have been identified as being involved in the unlawful creation, use and/or exploitation of my Trade Name(s): AUSTRALIA , NEW ZEALAND, UNIDROIT, Australian Taxation Office, Australian Electoral Commission, Revenue NSW, Department of Transport and Main Roads (QLD), Department of Transport for NSW, Service NSW, State Debt Recovery Office, Department of Social Services, ANZ Bank (AU & NZ),

Australian Federal Police, Centrelink, Australian Defence Force, Medicare, Roads and Maritime Services (NSW), Department of Human Services, Inland Revenue (NZ), Department of Internal Affairs, Citizenship and Immigration (NZ), Work & Income (NZ), Births Deaths & Marriages (NZ), Ministry of Transport (NZ), etc.

This list is not exhaustive, yet it is sufficient, as all those in receipt of my LTA and/or Notice are here instructed by me to immediately take the appropriate action toward ensuring the updating of all relevant records that exist in relation to me and any of my Trade Name(s) within all departments overseen by all the relevant Agents who are in receipt of this Notice. I will not waste my time detailing which Recipients are responsible for which department. This is all well known by the Recipients, and such information is clearly available to the public. These instructions are applicable to the relevant departments regardless of future changes to their corporate Names.

Any attempt made hereafter to recontract me to fraud-soaked UNIDROIT Government departments, either by misappropriation and mischaracterization of my name in any form, or by any other deceptive means, either verbally or in writing, will be clearly identifiable to me as Inland Piracy, and appropriate lawful action will be taken by me with support from Men and Women who uphold the People's rights under the original Constitution and who stand boldly for truth and justice under the Will and Protection of The Almighty God of All Creation.

Also, any action taken against me which does not acknowledge my inalienable, natural rights under Natural and Common Law, and that fails to acknowledge the termination of any fraudulent UNIDROIT Government contract as already described, will be known truthfully as criminal in nature. Be warned.

The UNIDROIT Government corporate fraud that has been taking place on a global level for long enough is right now being exposed in detail to countless living men and women on the planet. I, particularly, rori-rehu: murchie, the Living Man, have acquired thorough insight into the mass exploitation of the global populace via False Personhood, Unlawful Conversion, and kidnapping of assets on paper, which surmount to nothing short of involuntary servitude, also known as slavery. The corrupt misuse of the Trade Name(s) of We The People, connected on paper with Our birth and deeds, has created an illusory bond of accountability to a fraudulent Promissory-Note world banking and debt scheme.

The unstable and downright evil nature of this fraud has been conclusively linked to being directly and indirectly responsible for a widespread crisis that endangers, and seeks to further compromise, the health, happiness, freedoms and prosperity of innocent men, women, and children worldwide, with effects to the extent of mass poverty, famine, starvation, depression, suicide, disease, psychological traumas, etc. Such effects proceeding from global corruption and mismanagement are to be expected logically and are evidenced by recent history as well as by the current affairs worldwide.

No living being, on Earth or elsewhere, is exempt from the benevolent control and divine will of the Supreme Creator and Maintainer of the Cosmic Manifestation, the Soul of All-souls and Beloved Friend of All-beings. Those who are wise are advised herein to take shelter of such an Unlimited Loving Source of Reality who goes by Unlimited Divine Names. Although the Will of the Supreme allows for expression of all variety of human nature, actions that are destructive and deceitful by nature and rooted in satanic principles fuelled by lust and violence are always met with self-destruction by the Will of God. This Law of Nature has been seen before and will play out unimpeded again and again.

Notice to Principle is Notice to Agent, Notice to Agent is Notice to Principle.
